

Newhaven Park House.

In 2007 we used Newhaven Park for our Senior Leadership Training Course. We took 35 students and 4 staff for two days and found the venue to be outstanding for a number of reasons:-

- Value for money- very reasonable rates which compare more than favourably with other similar venues.
- Versatility – the venue could be used for a variety of programs and the owners were very willing to assist with our own particular needs.
- Meals were excellent – there were NO complaints from our students - only compliments which say a great deal for fussy secondary students. Particular dietary requirements were well catered for.
- Location – the venue is outstanding as it is fully self contained and there is no need for students to go off site. There are no shops within at least 5 kilometres! It is close enough to Bathurst and all of its attractions.
- Friendly staff made our stay a real pleasure and trouble free.

In summary I have no hesitation in recommending Newhaven Park to other school groups – Primary or Secondary. We have already booked for next year!!!
